## LOUISVILLE FOR APPELLATE JUDGE.

HON. ZACHARIAH WHEAT, of Adair. FUR CLERK OF THE COURT OF APPEALS. HON, GEO. R. McKEE, of Pulaski.

WEDNESDAY, APRIL 21, 1858. ineral wealth until they are drawing toward the and commercial power. The progress of this position of our confederacy is unparalleled. The rapid The Cincinnati Gazette a few days ago published an

on into the I nion as States. The of the confederacy, and that nearly the whole of that

se northwest, since 1820, with the growth of

the South, with the new States of the Southwest, where 'mineme territories and fertile soil give them so fair field for rapid growth. These States are Ala-

milier climate, and greater rivers the South-

upon population. We find here the for the reception of stall to the extent of country, for the South Legislature, and cannot fairly be tory will not therefore avail the possess the right to vote. 55 must depend for that upon a the h jer-law men of the North. The latter ie r i ctionalists of the South with a lev orthern people. All that is neces are for the pe de of the South is for her people I'm wer the r'ah', to avoid the treachera fatal octrines of the advocates of disunion. the analytophitic as in sciency that high sense of the and chivalric devotion to justice which have he as he pride of her people, to repudiate frand in we are er shape it may be presented, and to adhere presidently to the principles which actuated the h re of our a t pend ace as a people in all their if the volunteers of our city get a change to air ty pray in the expressive language of their quality, he will not be disposed to let ber pass F - pa l'ta y "trood Lord d liver us" from at every of Leptonsan. Thus as the Trojau horse. It is the normag deviewhich the bitterest considered in structure at a few construction. While there is not sometime in the interference of Southern in structures. While there is verture is the left of the few courselves the left of the few courselves and in the left of the dangers that now menage and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the left of the few courselves and it is the most number of the most number of the courselves and it is the section of the courselves and it is the section of the courselves and the left of the few courselves and the left of the left of the few courselves and the left of the left

Get We per had to be south by the agitation of sectional its est of discussion in them at of discuss principle. It is a serial of this we are always glad at we per per had been been as the control of t we than M. Be t valways lands the Press.

Senator Bright has speech on the Kyn, as of the imprulence of

be a k withit within a few months no true results in President Para is a curation, Mr. Bright, been suspect for and fealth und the presence of the presen "Whilst form a g a word with him. Pierce, that country he som one occasion, sent him word that if he didn t ing, 1 rot ly, that he would have him heaten him aga a 1 d lance which bright hurled back

to " v and m l' le toleration for Mr. Bright's polit come, but there are perto do him in lice in our lumns or elsewhere. To be sure a Densarratic Senator's opposition to auch n President as Pierce or Buchanan cannot be confilered as requiring the highest order of independences. I have but my brought with lence, we it ortuils requires a higher order of

ing off had quite a well as the Lecompton a rat t kes down the name of Joseph ld from i co'nmn bead as the Democratic

The Michigan City Tenans and Tot to the people.

Now we shall see which can do the briskest and reddest work, the Lecompton Democratic guillotine or the anti-Lecompton Temocratic guillotine. No deals the two together will do auch an amount of chopping that Democrata walking about without heads will room be the communest of spectacles.

2. The Michigan City Tenans are the great that the whole na ion at the great that the whole na ion at the great control of the properties of the price individuals and minion individuals and minion in the properties of the properties

Rept. lican paper, carm lly advocates the admission of Kunasa under the Lecompton constitution as the test thing that can be done for the promotion of the success of the Republican party. The Transcript is honest, and moreover it is sight. The admission of Kanasa under the Lecompton constitution would readmine the Republican party. would reanimate the Republican party, which is now about to be abandon, d. It would sectionalize the whole North and leave the South in a miserable minority, unable to protect herself or her institutions from any aggression whatever. Lecomptonism is a mere tool of Abolitionism. It is nothing else.

The Schoharie Republican, a Democratic paper, has two editors. One of the two has just received an appointment worth two thousand dollars a year, and the other is a private citizen. The office-holder is of course a Lecompton man, and the private citizen is an anti Lecompton man. Neither being willing to yield an inch, they are fighting out le tattle in their mutual paper in parallel columna. being willing to yield an inch, they are fighting out le tattle in their mutual paper in parallel columna. They are getting as feracious as two fighting bull-dogs. They are making their paper a very fair miniature of the Democratic party.

lelphia U. S. Gazette, speaking of the prospects of lecompton, says that all nt once the Almiristration lide affects great exultation or the ulleged prospect of great exultation or great exultation or great exultation or the ulleged prospect of great exultation or great exu ion | him appeared in our columns, but we cannot let

pect of carrying a conference in the House, notwithstanding the decisive majorities heretofore given for
the Critenden amendment, and ratif by the
more recent adherence. The professal on loce
